Little Free Library Now at 622 Grand Ave!

Live Green Apartments recently installed Grand Avenue's first Little Free Library outside our

building at 622 Grand Ave. Shaped like a small house and made of recycled materials, this Little Free Library currently holds children's books along with fiction and non-fiction choices—all available for free! Grand Ave's Little Free Library is among more than 20 in St. Paul. Since the "take a book, leave a book" concept is so simple, the small libraries have been appearing all over the area. However, if visitors to the Live Green Apartments library don't have a book to donate, they are still welcome to take one.

Xmas Tree Care

Residents often ask if live holiday trees are allowed. We do allow them, but we ask residents to use care and follow these guidelines:

1. We recommend using a tarp or tree bag while moving your tree in or out of the building. Please vacuum up any needles your tree sheds in the hallways and common areas.
2. You are responsible for keeping your tree watered. A dry tree can be a very dangerous fire hazard.
3. Make sure to use some kind of floor covering, like plastic and a towel, underneath your tree to prevent water damage to the floor.
4. If your tree has lights, please do not leave them on when you are not home.
5. Trees **cannot** go into the trash behind the buildings.

To learn where you can compost your tree for free in Ramsey County, visit: http://www.co.ramsey.mn.us/ph/rt/yard_waste_collection_sites.htm.

Thank you!
