Pizza Party Tues 9/8

2124 & 2130 Como Avenue
Pizza Party Wed 9/9

241 Brimhall Street Pizza
Party Thursday 9/10

Dropped cell phone calls?!

Some residents and staff have had issues with cell phone reception, particularly at our Como location. We encourage you to **call your cell phone provider** if you or your guests experience cell phone coverage problems. If the cell phone companies get enough calls, they may consider installing more cell phone towers which will improve service in your area.

Pass this info along to people you know! Thanks!!

For Verizon, call 611 from your phone or 800-922-0204
For Sprint, call *2 from your phone or 800-211-4727
For T-Mobile, call 611 from your phone or 877-453-1304
For AT&T, call 611 from your phone or 800-331-0500

AC REMOVAL/BOILERS

Fall is here! It's time for us to get ready for winter. We ask that everyone please remove their window unit ACs by **Wednesday, September 30th**. Removing window unit ACs helps us heat the building more efficiently.

During the winter, please remember to keep your windows shut and to let us know if your apartment is too warm or too cold, so we can fine tune the heat in your building and be as energy-efficient as possible!

THANK YOU!

☼2009 SOLAR TOUR☼

The Minnesota Renewable Energy Society will host its annual solar tour on Saturday, October 3rd from 10am to 5pm. The event is free and open to everyone!

The solar panels on the roof of 622 Grand will be part of this year's tour.

We hope to see you there!

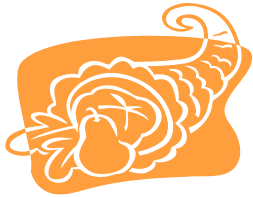

For more info, visit
MnSolarTour.com

ARE YOU INTERESTED in an ECO-PARTY?

We are researching the possibility of hosting an Eco-Party, this November or December.

This would be an opportunity to learn about new ways to live green at home and in the community. If you are interested in

attending, please send us an email at livegreenapts@gmail.com.

GREEN TIP FOR FALL

You can save a lot of energy by taking some small steps while doing laundry:

- Use cold water. 90% of a washer's energy goes to heating water.
- Use concentrated laundry detergent. You will end up buying less plastic containers which helps save energy.
- Use non-chlorine bleach. Chlorine can irritate lungs and eyes.
