SPRING 2010
EARTH DAY

CELEBRATE EARTH DAY!: April 22nd!

Spring is (finally) here! Plus, it's Earth Day! There are several events going on all over the Twin Cities. Please check out the Spring Events Calendar in this issue to find out more!

Over the last year, we've tried to expand our green initiatives several ways: using only green cleaning products for our caretaking, planting native plants and using organic lawn treatments, helping to bring bike racks and Hour Car to Grand Ave, and providing green tips

to our residents in our newsletters. We're always looking for more green ideas! If you have one for us, please let us know at 651-263-4080 or Staff@LiveGreenApts.com! Thanks!

INSIDE THIS ISSUE:

Earth Day	1
US Census	1
Mac Moves	1
Availabilities	2
Spring Events	2

2010 CENSUS

You should have received a census form from the federal government sometime in March. It's very important to fill out your census form and mail it back. Federal funding for roads, transportation, schools as well as the number of representatives Minnesota has in Congress is tied to our population count according to the US Census.

Keep in mind that the Census keeps all information confidential. Also, if you don't send in your form, the Census will send someone out to visit you. So, please remember to send back your form!

MAC MOVES!!

Macalester Groveland Community Council (MGCC) and sponsoring neighborhood businesses announced their annual program to help increase foot and bike traffic in the neighborhood and promote healthy lifestyles. The program encourages residents to leave their cars at home and walk or bike to destinations in the neighborhood at least 15 times by August 2010. Residents who complete the 15 trips are eligible for a drawing for the donated prizes.

Please call 651-695-4000 or visit www.macgrove.org for info!

Vacations, Guests, Pets & Roommates!

If you have a **guest staying with you several days a month** on a regular basis, that's considered a **roommate** and they should be added to your lease. Please contact our office so they can fill out an application.

Also, if you plan to be **out of town for a week or more**, please email our office with the dates, just in case there is an emergency. If a friend or relative is stopping by to **take care of your pet(s)**, that's also helpful for us to know.

And...if you want to get a **new pet**, please contact us ahead of time so we can let you know if the pet is allowed under the terms of your lease.

You can email us anytime at Staff@LiveGreenApts.com! Thank you!

GREEN TIP FOR SPRING

Buying food locally is a great way to go green this spring! In St. Paul, we are lucky to have wonderful farmer's markets all over the city. Many are easy to get to by biking, walking or taking the bus! When you buy food locally, you are supporting local farmers and your community's economy, you are reducing your carbon footprint by cutting down the amount of fuel and energy it takes to have the food you buy available to you, plus, you're probably eating fresher, healthier food. The St. Paul Farmer's Market operates year-round, with expanded hours starting in April. Call 651-227-8101 or go to their web site for info!
