

Skally Herald

SUMMER 2010
ST PAUL

Be a good neighbor

Part of being a good neighbor is being aware of who is in the building. Please follow these guidelines:

- ◆ If you have guests, please escort them into and out of the building.
- ◆ Don't let in/buzz in people you don't know. If someone asks to be let in the building, please ask them to contact the resident they know or are looking for directly.
- ◆ Solicitors are not allowed in the building. If you see someone soliciting, please notify us asap.

THANK YOU!

HELP CONSERVE WATER

If you notice your faucet or tub dripping or a toilet running, please let us know right away. Even a small drip can waste a lot of water!

Thanks!

MAC MOVES 2010

The Grand Avenue Business Association and the Summit Hill Association are sponsoring the 5th Annual MacGrove Moves, a challenge to local residents to bike, blade, walk or run instead of jumping in the car to help with overall air quality as well as physical fitness!

The goal is to log 15 non-car trips before Wednesday, August 11, 2010. For more info, please go to www.macgrove.org or call 651-695-4000.

CHECK IT OUT!!

**Refer-a-Friend and BOTH of You
Receive \$200 OFF
one month's Rent!**

GREEN TIP FOR SUMMER

Keeping your AC on all day and night can really cause your electric bill to jump! There are other ways to keep your apartment cool this summer:

- ◆ Keep your shades closed during the day, especially during the warmest hours in the afternoon.
- ◆ Use your ceiling fan to keep air flowing.
- ◆ Open your windows at night when the air is cooler.
- ◆ Use a dehumidifier to help reduce mugginess in the air.
